

2022-23 Title I Part A, Title I Part D, Title II Part A Allocation Changes

For the 2022-23 school year, the NYSED Office of ESSA Programs has updated the final 2022-23 allocations for the Title I, Part A; Title I, Part D; Title II, Part A allocations for all Local Education Agencies (LEAs). Updated allocations will be available online at: <http://www.nysed.gov/essa/allocations-poverty-data-and-student-counts>.

The adjustment from preliminary allocations posted in May 2022 to the final allocations that were posted in January 2023 is due to changes in student count data and state allocations calculated by the United States Department of Education.

LEAs should visit their NYSED Grants Finance page by:

The 2022-23 ESSA Allocation Report will provide your LEA with information such as updated Title I, Part A allocations, updated Title I, Part D allocations, updated Title II, Part A allocations, approved budget amounts, and available carryover funds. Adjustments to budgets for these Titles for the 2022-23 school year can be made in a timely manner.

IF YOUR 2022-23 ALLOCATION HAS INCREASED:

If the amount of the district's final allocation increased you can choose to:

- Submit a Budget Amendment (FS-10A) to request the additional funds for use during the current project period, OR
- Take no action and carry over the increase into the 2023-24 school year. Please note, that for Title I Part A funds, carryover funds cannot exceed 15% of the 2022-23 allocation.

LEAs may carryover funds from 2022-23 into 2023-24 via the same Budget Amendment (FS-10A).

IF YOUR 2022-23 ALLOCATION HAS DECREASED:

If the amount of the district's final allocation decreased:

The LEA will need to submit a Budget Amendment (FS-10A) to request the approved 2022-23 allocation.
