) newsletter describes the current and upcond a subscription link are available online c	oming activities related to higher education. on the <u>OHE website</u> .
The Board of Regents approved the	e following regulation amendments for fina	al adoption. They will become effective on
March 28, 2018.	There is a growing movement at the stat	e and national levels for students to learn ed organizations collaborated with states,

The Clinical Practice Work Group has been meeting regularly to discuss best practices and aspirational goals for field experiences and student teaching in teacher preparation programs and has <u>developed draf</u> recommendations for changing the regulations related to clinical experiences. The work group collected feedback from the education community on the draf recommendations through <u>a survey and regional meetings</u>. The feedback from the survey and regional meetings will be considered by the work group at its March meeting when it develops the final recommendations for the Board of Regents this spring. Thank you to everyone who provided feedback!

In May 2017, the <u>Board of Regents approved new program registrat on requirements</u> for school counselor educat on programs that are listed in <u>Sect on 52.21(d) of the Commissioner's Regulat ons</u>. The registrat on requirements are based on feedback from the feld over several years. Programs leading to cert f cat on in school counseling must meet the new registrat on requirements by September 1, 20
