-----------------------	---------------	---------------------------	--------------------------

The school district should ensure budget development continues to include community input.

1

The district has continued to value transparency and communication with the community by engaging all stakeholders with translated budget newsletters, translated town hall meetings, and regular updates on the district website and social media accounts. The community voice was heard and valued though these

<p>The District should continue to explore all grant opportunities, to maximize funds from non-tax sources.</p>	<p>1</p>	<p>The district has recently submitted an application with 2 other districts for the My Brother’s Keeper Family &amp; Community Engagement Program to maximize our application power. We prepared an application for the School Violence Prevention grant to bring in needed infrastructure upgrades and additional safety supports. We continue to utilize the assistance of a grant writer in applying for private and federal dollars. Grant office personnel receives continual updates from NYS Grants Gateway. In addition, we are presently exploring LTG Round 2 and The Refugee and New Comer Grants.</p>

Use a small portion of the fund balance to reduce future tax impacts. An assumption that this would occur has been incorporated into the long-range fiscal plan.	2	Wherever appropriate and agreed upon through discussions with the Superintendent, Fund Balance will be utilized to reduce future tax impact to the community in our long-range fiscal plan. This mitigation effort will reduce the tax burden to the community while keeping the tax levy impact fairly level.
