SUBJECT: Bilingual and English as a New Language Services for

When the CSE has determined that an ELL with a disability cannot, because of their program without special education supports, it must consider specially designed instructional

of the Commissioner of Education and the student is, for accountability reporting purposes, an ELL student. This is true regardless of whether the student attends the public school or has been placed in an out-of-district program by the CSE. The school district does not have the authority to cease providing the Part 154 services to these students when, for example, the student is absent from school for an extended period of time. The school district must continue to provide the Part 154 services to these students on the NYSESLAT.
