5. The fifth part of the document concludes by summarizing the key findings and recommendations. It stresses the importance of ongoing monitoring and evaluation to ensure that data management practices remain effective and aligned with the organization's goals.

QUESTION 1 (10 marks)

Figure 1 shows the relationship between the price of a good and the quantity demanded. The price is measured on the vertical axis and the quantity demanded is measured on the horizontal axis. The demand curve is downward sloping and linear. The price of the good is \$100 and the quantity demanded is 100 units.

TASK: Calculate the price elasticity of demand at the point where the price is \$100 and the quantity demanded is 100 units. Show your working.

1. The first part of the text discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for ensuring transparency and accountability in financial reporting. This section also highlights the role of internal controls in preventing errors and fraud, and the need for regular audits to verify the accuracy of the data.

2. The second part of the text focuses on the importance of clear communication and collaboration between different departments and stakeholders. It stresses that effective communication is key to ensuring that everyone is on the same page and that all relevant information is shared in a timely and accurate manner. This section also discusses the importance of documenting all communications and decisions to avoid misunderstandings and ensure that everyone is working towards the same goals.

3. The third part of the text discusses the importance of staying up-to-date on the latest industry trends and regulations. It emphasizes that the business environment is constantly evolving, and it is crucial for organizations to stay informed about the latest developments in their industry. This section also discusses the importance of investing in training and development to ensure that employees have the skills and knowledge needed to succeed in a competitive market.
