### Serving the Diverse Needs of all Students:

Exploration strives to meet the diverse needs of all students. Exploration does this by providing quarterly assessments and using these assessments to make educational decisions about next steps in the classroom. In addition to classroom data dives to make next steps in instruction, Exploration's Intervention team meets quarterly to re-evaluate students falling in the red and yellow tiers in the RtI model. The Intervention team also meets with the classroom teacher to discuss the student's progress and to determine the next steps in instruction.
