As a reminder, we are relying on the H G information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your distric oF< BOCES must submit such material changes for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teacher V ¶ r principal V ¶ verall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts

performance review

1 The following procedures are the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a tenured teacher's annual professional performance review. The procedures contained herein are not available to probationary teachers, with the exception of claims of procedural violations.

2 The grievance and/or arbitration procedures in any negotiated agreement shall not be used to appeal or review a tenured teacher's annual professional performance review. To the extent that a conflict exists between a negotiated agreement and this procedure, the terms and conditions of this procedure shall prevail and be applied.

3 This procedure shall be in effect unless changed by the parties and approved by the Education Commissioner or until the requirement to have such a procedure under Education Law §3012-d is repealed by law, regulation or a valid ruling by a court or administrative agency with jurisdiction.

(a.) A teacher who receives an overall rating of "ineffective" or "developing" may appeal his or her annual performance review. Ratings of "highly effective" or "effective" cannot be appealed.

(b.) A teacher may appeal only the substance of his or her performance review, the school district's adherence to standards and methodologies required for such reviews, adherence to applicable regulations of the commissioner of education, and the compliance with the procedures for the conduct of performance reviews set forth in the annual professional performance review plan.

(c.) A teacher may not file multiple appeals regarding the same performance review. All grounds for appealing a particular performance review must be raised within the same appeal. Any grounds no raised at the time the appeal is filed shall be deemed waived.

(d.) Appeals concerning a teacher performance review must be received in the office of the Superintendent of Schools no later than ten (10) work days after the date when the teacher receives his/her performance review. The failure to submit an appeal to the Superintendent of Schools within this time frame shall result in a waiver of the teacher's right to appeal that performance review.

(e.) A teacher wishing to initiate an appeal must submit, in writing (e-mail or other electronic submissions are not permitted), to the Superintendent or his/her designee, with a detailed description of the precise point(s) of disagreement over his or her annual performance review, along with any and all additional documents or written materials that he or she believes are relevant to the resolution of the appeal.
additional information not submitted at the time the appeal is filed shall not be considered in the deliberations related to the resolution of the appeal.

Training Assurance

Please check the box below.

☑ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators must inclu

1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers;
2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators.

The superintendent will ensure that all evaluators (including lead evaluators, evaluators, and independent observers) have been trained and certified in accordance with regulation. The district will utilize Onondaga Cortland Madison BOCES evaluator training and lead evaluator training and certification in accordance with the nine training elements as outlined in Regents Regulations § 30-3.10.. The duration of training will be approximately 4 days for initial training and 1 day for re-training. Inter-rater reliability of all evaluators shall be ensured through monthly training sessions of 1 hour each in which the superintendent and all evaluators and independent evaluators dicuss ratings for teachers.
The superintendent will ensure that lead evaluators participate in annual training and are re-certified on an annual basis. The Onondaga Cortland Madison BOCESwill be utilized to provide the re-training and recertification. The superintendent will certify and recertify lead evaluators annually. Any individual who fails to achieve required training or certification or recertification, as applicable, shall not conduct evaluations. - ☑ For principals evaluated using an SLO, assure that if the principal's SLO is based on a small 'n' size population and the LEA chooses not to use the HEDI scoring bands listed above, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in SLO Guidance.
- ☑ For principals evaluated using an input model, assure that all applicable principals will be evaluated using the procedures described herein and approved by the Commissioner.
- ☑ Assure that processes are in place for the superintendent to monitor SLOs and input models.

- ☑ Assure that the following elements will not be used in calculating a principal's school visit category score and rating: evidence of student development and performance derived from lesson plans, other artifacts of principal practice, and student portfolios, except for student portfolios measured by a State-approved rubric where permitted by the Department; use of an instrument for parent or student feedback; and/or use of professional goal-setting as evidence of principal effectiveness. Consistent with Subpart 30-3 of the Rules of the Board of Regents, assure that points shall not be allocated based on any artifacts, unless such artifact constitutes evidence of an otherwise observable rubric subcomponent.
- ☑ Assure that the length of all school visits for principals will be conducted pursuant to the locally-determined durations.
- ☑ Assure that at least one of the required school visits will be unannounced.
- ☑ Assure that school visits will not be conducted via video.

Required Subcomponent 1: School Visits by Supervisor(s) or Other Trained Administrators

At least one school visit must be conducted by supervisor or other trained administrator and at least one of the required school visits must be unannounced (across both required subcomponents).

- LEAs may locally determine whether to use more than one school visit by superintendent or other trained administrator.
- Nothing shall be construed to limit the discretion of a board of education or superintendent of schools from conducting additional school visits for non-evaluative purposes.
- The frequency and duration of school visits are locally determined.
- School visits may not occur by live or recorded video.

Indicate the minimum number of unannounced and announced school visits by supervisor(s) or other trained administrators in the table below.

Required Subcomponent 2: School Visits by Impartial Independent Trained Evaluator(s)*

At least one school visit must be conducted by impartial independent trained evaluator(s) and at least one of the required school visits must be unannounced (across both required subcomponents).

- Impartial independent trained evaluators are trained and selected by the LEA.
- They may be employed within the LEA but may not be assigned to the same school building as the principal being evaluated. This could include other administrators, department chairs/directors, or peers, so long as they are not from the same building (defined as same BEDS code) as the principal being evaluated.
- LEAs may locally determine whether to use more than one school visit by impartial independent trained evaluator(s).
- The frequency and duration of school visits are locally determined.
- School visits may not occur by live or recorded video.

* If the LEA is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the use of one or more evaluators selected and trained by the LEA, who are different than the evaluator(s) who conducted the school visit(s) required to performed by the Superintendent/supervisor or their designee. If the LEA is granted an annual Undue Burden Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the processes described in that application.

Training Assurance

Please check the box below.

☑ The LEA assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a principal's evaluation. Note: independent evaluators and peer principals need only be trained on elements 1, 2, and 4 below.

Training of Lead Evaluators, Evaluators, Independent Evaluators, and Peer Principals and Certification of Lead Evaluators

The process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators must inclu

1) the process for training lead evaluators and evaluators, including impartial independent evaluators and peer principals;
2) the process for the certification and re-certification of lead evaluators;
3) the process for ensuring inter-rater reliability; and
4) the nature (content) and the approximate duration (how many hours, days) of such training.

Describe the process for training evaluators, including impartial and independent evaluators and peer principals, and certifying and re-certifying lead evaluators.

Evaluator Training
The Board of Education will ensure that all evaluators (including lead evaluators, evaluators, and independent evaluators) have been trained and certified in accordance with regulation. The district will utilize the OCM BOCES evaluator/lead evaluator training in accordance with Regents Rule 30-3.10. The training will occur on a annual basis throughout the school year with the approximate training time of 8 hours total. Inter-rater reliability occurs at monthly administrative meetings. Evaluator training will include training on the nine elements as outlined in Regents Rule 30-3.10.
Upon completion of the initial year-long training all evaluators will be certified as lead evaluators. Administrators responsible for principal evaluation will continue training on an annual basis through participation in the annual follow-up training for evaluators/lead evaluators provided by OCM BOCES. This training will support the continued growth in understanding of the nine elements of performance review, All evaluators who complete the annual follow-up training will be recertified as lead evaluators. The Board of Education designates the superintendent to ensure that lead evaluators participate in the initial year-long training for lead evaluators and then participate in ongoing training on an annual basis for purposes of continued growth in understanding of the principal performance evaluation process. OCM BOCES will be utilized to provide the initial training as well as the ongoing annual training. The initial training for evaluators/lead evaluators and the annual training, thereafter, for purposes of continued growth, will improve inter-rater reliability of evaluators. The Superintendent certifies all the lead evaluators, including the Superintendent, and are approved by the BOE at the Reorganizational meeting annually.
