Task 1. General Information - Disclaimers and Assurances

Page Last Modified: 10/19/2022

Disclaimers

For guidance related to Educator Evaluation plans, see NYSED Educator Evaluation Guidance. For a definition of terms related to Educator

Evaluation, see the Educator Evaluation Glossary.

The Department will review the contents of each local educational agency's (LEA) Educator Evaluation plan as submitted using this online form,

Status Date: 06/05/2023 01:10 PM - Submitted

including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the

Board of Regents. Department approval does not imply endorsement of specific educational approaches in an LEA's plan.

The Department reserves the right to request further information from an LEA to monitor compliance with Education Law §3012-d and Subpart

30-3 of the Rules of the Board of Regents. Each LEA is required to keep detailed records on file for each section of the currently implemented

Educator Evaluation plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to

disapprove or require modification of an LEA's plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart

30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the LEA

are for informational purposes only for the teachers and principals reviewed under this Educator Evaluation plan. Statements and/or materials in

such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other

signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the Educator Evaluation

plan approved by the Department. The Department also reserves the right to request further information from the LEA, as necessary, as part of

its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this Educator Evaluation plan are not true or

accurate, it reserves the right to reject or disapprove this plan at any time and/or to request additional information to determine the truth and/or

accuracy of such statements.

Educator Evaluation Assurances

Please read the assurances below and check each box.

provided to the Department upon request for review of compliance with Education Law Section 3012-d and Subpart 30-3 of the Rules of

the Board of Regents.

☑ Assure that this Educator Evaluation plan will be posted on the LEA's website no later than September 10th of each school year, or

Task 2. TEACHERS: Required Student Performance - Student Learning Objectives

Page Last Modified: 03/21/2023

Student Learning Objectives (SLOs)

For guidance on SLOs, see NYSED SLO Guidance.

SLOs shall be used as the required student performance measure for all teachers. The following must be used as the evidence of student learning within the SLO.

Status Date: 06/05/2023 01:10 PM - Submitted

MEASURES

SLO measures may be either individually attributed or collectively attributed.

Individually attributed measures

An individually attributed SLO is based on the student population of a course for which the teacher directly contributes to student learning outcomes.

> Individually attributed results: scores and ratings will be based on the growth of students in the teacher's course in the current school year.

Collectively attributed measures

A collectively attributed SLO is based on a student population across multiple sections of the same course or across multiple courses where more than one teacher either directly or indirectly contributes to student learning outcomes. When determining whether to use a collectively attributed SLO, the LEA should consider:

- identifying which measures and assessments could be used to encourage partnerships or teams where teachers have an opportunity to collectively impact student learning;
- identifying which assessments could be used to help foster and support the LEA's focus on a specific priority area(s);

☑ If the Superintendent/District Superintendent or other party is the entity certifying evaluators, and also acts in the capacity of an evaluator, please assure that the certification process, including such self-certification, is implemented with fidelity.

Inter-rater Reliability

Inter-rater reliability refers to the extent to which different evaluators produce similar ratings in judging the same abilities or characteristics in the same target person or object. Within the context of educator evaluation, inter-rater reliability requires all evaluators trained in the school visit process to reach independent consensus on observable behaviors to ensure the accuracy, consistency, and precision of the implementation of the chosen evaluation rubric(s). It also requires administrators to analyze and track educator evaluation data and ensure that school visits are being completed with fidelity.

Select the option(s) below that best describe the process in place for maintaining inter-rater reliability.

Please check all that apply.

- ☑ Data analysis to detect disparities on the part of the evaluators
- ☑ Periodic comparisons of an evaluator's assessment of the same building principal
- ☑ Periodic calibration meetings and/or trainings
