BOARD OF REGENTS AFTEIMS

School Counselr. The new Initial and Professional School Counselor certificates became available on February 2, 2023Candidates also must have applied and qualified for the Provisional School Counselor certificate prior to that dateThe Department has learned of candidates who completed a registered program leading to Provisional School Counselor certification prior to February 2, 2023, but did not subarinit a certificate application or did not receive an institutional recommendation certification by this date. To hold these candidates harmless, the Department proposed an emergency or allow candidates who complete a New York State registered programeading to Provisional School Counselor certification to apply and qualify for this certificate prior to February 2, 2024, extending the deadline by one year.

At its April meeting, the Board of Regents approved this proposed emergency rule. As a result, the Provisional School Counselor certificate application through the "approved program" pathway is now available in the TEACH system and and be available until February 1, 2024 Institutions will therefore need to submit recommendations for Provisanal School Counselor certification for program completers in TEACH by February 1, 2024.
